## President And Counsel Meet At Noon Today

President Eisenhower continued his fourth "work-vacation" day with another stint in his office at the Hotel Gettysburg today. He arrived at the Hotel Gettysburg at 12:07 p.m. and went directly to his suite. There he conferred with David W. Kendall, special White House counsel who had flown here in an Aero-Commander plane. He also brought a sheaf of government papers for the President to sign.

As usual the crowd, though not as large as Thursday, greeted the President who responded jovially. At 11:30 o'clock this morning there were no outward indications or signs what time the Chief Executive would go to his office. However, more than 100 were on hand when Mr. Eisenhower arrived in his limousine. By 1 p.m. the crowd had grown to 300 or more.

When the President stepped out of his car upon arrival at the hotel 15-year-old Cynthia Rosenberger, daughter of Dr. and Mrs. Russell Rosenberger, E. Lincoln Ave., stepped up and shook hands with him. With her was her guest, Connie Ramsey, of Beaver Falls, Pa., who did not have an opportunity for a handshake.

The President left the Hotel Gettysburg at 1:36 p.m. More than 200 persons crowded into the lobby of the Hotel Gettysburg and greeted him with a rousing round of applause when he stepped out of the elevator.

Just as he was about to leave the hotel, the chief executive paused to shake hands with Dr. Henry W. A. Hanson, president emeritus of Gettysburg College. It was during the administration of Dr. Hanson that the President was given an honorary degree and delivered the commencement address at the college.

In the three segments of Lincoln Square, more than 400 persons greeted the President as he left the Hotel Gettysburg. Many had waited about an hour and a half to see him. Tourists who were in the area nearest the Plaza Restaurant took long range photographs of the President.

Mr. Eisenhower will lunch and nap at his farm, after which he will conduct government business from his study there.

One female admirer of the President remarked as he stepped briskly across the sidewalk to the hotel entrance:

"My, doesn't the President look (Continued On Page 2)

## SEEK DAMAGES FOR INJURIES TO DAUGHTER

Damages "in excess of \$5,000" are asked in an action in trespass filed Thursday by Attorney Edward B. Bulleit for Teleta Ann Carson and her parents, Mr. and Mrs. Harold M. Carson Jr., Centennial Ave., Fairfield, against Guy W. Seiferd and Raymond Alexander, both of Water St., Fairfield.

The suit stems from an accident April 30, 1957, at the intersection of Main St. and the Fairfield Station Rd., at 3:30 p.m. The now ten-year-old daughter of Mr. and Mrs. Carson was crossing Main St. when she was struck by a school bus operated by Alexander and owned by Seiferd.

"Serious Injuries"

According to the complaint the child suffered serious injuries to her right foot which have resulted in deformity of the great toe and second toe. The complaint alleges "progressive extension of the deformity will require additional tube grafts and skin grafts, and it is expected that she will always have a club foot and will have to wear special shoes and braces."

The first count of the suit asks damages "in excess of \$5,000" for Teleta for her injuries.

The second count, representing the suit of Mr. and Mrs. Carson, lists \$1,802.30 in physicians and hospital bills for their daughter plus \$75 for special shoes. The complaint alleges that approximately \$2,000 more in medical bills will have to be spent for additional treatment to the child's foot. The second count asks damages "in excess of \$5,000."

## BULLETINS

WASHINGTON (AP) — The House today passed and sent to the Senate a bill to curb racketeering and abuses in labor-management relations.

The House action capped a major legislative victory for President Eisenhower, who made a personal appeal to the nation for strong labor controls legislation.

The House vote on passage swamped northern and eastern Democrats who had backed less stringent labor curbs than the President asked.

The House-passed bill now goes back to the Senate for compromise with the differing version passed there last April.

## REC-DRAMATIC PROGRAM WILL BE CONTINUED

The Gettysburg summer recreation program's first try at including a dramatic program concluded Thursday with presentation in the Gettysburg High School auditorium of two one-act plays, "Mrs. O'Leary's Cow" and "The Bobby Sox Brigade," and was termed such a success by Chester Hilger, recreation director, that he predicted the dramatic program will be continued next summer.

Gary Bechtel, of the Fairfield High School faculty, directed the dramatics group. About 20 young people showed an interest in the program. There were 14 in the casts of the two plays.

## Hilger Encouraged

There were about 100 persons, students and parents in the audience as the plays were presented. Bechtel and Hilger said that they consider this an encouraging turnout.

Bechtel said, "From a director's standpoint, the plays were a credit to the time and energy of the 14 students engaged in the productions. A lot of natural talent was shown by these students and it is hoped that a continued interest will be taken by the community, both on the student and adult level.

## Crying Need

"There is a crying need for good dramatics in this town," Bechtel continued. "These groups would be a start for developing talent to be used later in the proposed outdoor drama being discussed by various community leaders."

"It is from these small, obscure beginnings, such as we had with the rec-dramatics program, that the talent and potentials of the community can be put to good use."

"This is only a beginning, but what better place to start?" he asked.

It orders Mrs. Helen R. Ambrose and a group of relatives, George H. Ambrose, George Reisher and George Reisher Jr., to stop interfering with the Bishops use of their own property.

The Bishops filed an equity suit October 27, 1958 asking that the defendants be ordered to stop their "interference."

Early Golfing

A bright warm sun, clear day, little or no wind lured the President to the Gettysburg Country Club shortly after eight o'clock this morning. He was accompanied by William Robinson, chairman of the board of the Coca Cola Company, W. Alton Jones, president of Cities Service, and Clifford Roberts, an investment banker who arrived here Thursday. They are known as the "Augusta Foursome." About 8:30 o'clock they teed off. Prior to that the President got in a number of practice drives.

Shortly after the foursome had teed off General Arthur S. Nevins, Biglerville Rd., farm supervisor for the President, joined the party and he paired off with Jones for a twosome and the others comprised a threesome.

After the first nine the five golfers drank a soft drink, the President fanned himself, and a few minutes later the five were off on the second round. The temperature was 88 degrees under the awning in front of the pro shop.

Little Time To Relax

The President had little time to relax Thursday afternoon. His son Major John Eisenhower, White House aide, kept in constant touch with his father on government business throughout the afternoon. While the President was hopeful of getting some rest while here before flying to Europe for important conferences, he has not had much opportunity to relax because of the press of business.

At a press conference this morning Wayne Hawk announced that the President while in London will confer with the Spanish Foreign Minister, Fernando Maria Castiella Maiz Aug. 28. The latter will also confer with Secretary of State Christian A. Herter in London.

When Hawk was asked if the President would visit Madrid or go to India and Far East on his return to the states, the acting press secretary said he was not aware of any such plans.

When Hawk was asked if the President had received a telegram from Daisy Bates asking for protection in Little Rock, Ark., he said it had not been seen by the President. He said the telegram was addressed to the White House in Washington where it was not received until this morning.

If the usual procedure is followed, Hawk said, the telegram will be referred to Atty. Gen. William P. Rogers.

BETSY RAWLS LEADS TOURNEY

SEATTLE (AP) — Betsy Rawls carried a one-stroke lead into the second round of the \$7,500 Women's Western Open Golf Championship today after a bit of delayed magic gave her a two-under-par 70.

The Spartanburg, N.C., pro leading money winner of the current season, carded an unimpressive 38 on the first nine holes Thursday. Then she dipped into her golf bag and plucked out four birdies on the homecoming nine for a 32.

She needed every one to take the lead from Betty Jameson, San Antonio, Tex. Miss Jameson also turned in 38, then finished with 33 that included two spectacular approach shots.

Patty Berg Ninth

Veteran Patty Berg of Chicago, defending champion and seven-times winner of the Western, carded a 76 to tie with four others for ninth position.

Louise Suggs of Sea Island, Ga., four-time winner of this tourney, was in third place with an even par 72. Marlene Hagge, Pittsburgh, rounded the first nine in 33, but then her short game soured and she finished with a 73 total.

Young Muriel MacKenzie of St. Petersburg, Fla., tacked a second nine 34 onto an outgoing 40 for fourth place and a 74.

INDIAN FACES NEALE FRASER

BROOKLINE, Mass. (AP) — Few tennis players have found themselves on a tougher spot than 19-year-old Premjit Lal of India occupied today.

Lal, fresh out of junior ranks and with virtually no international experience, was holidaying in England when he received an urgent call to join fellow countryman Ramanathan Krishnan in the United States.

He was slated to sub for the seasoned Naresh Kumar, who was summoned home because of his father's illness. Lal today goes against Neale Fraser, oldest and toughest of the Australians, in the interzone Davis Cup finals.

"It came so suddenly I've hardly awakened," said the tall, good-looking youngster from Calcutta. "But I have all to win and nothing to lose. I'll be loose."

Lal plays the second singles match. The 22-year-old Krishnan, twice conqueror of Wimbledon champion Alex Olmedo, tackles Rod Laver, Australia's 21-year-old Wimbledon runner-up, in the opening match at the Longwood Cricket Club.

## KEEP AMERICA STRONG: NIXON

SPRING LAKE, N.J. (AP) —

Vice President Richard M. Nixon says that a strong America is necessary before agreement can be reached at a summit conference table.

For this reason, he warned Thursday, the United States should not relax its defenses because of the forthcoming exchange visits between President Eisenhower and Soviet Premier Nikita Khrushchev.

"If we are to have a possibility of agreement at a (summit) conference, the President must be able to talk from a position of strength," Nixon declared.

The vice president came to this resort community to attend a U.S. Savings bond rally.

Nixon stressed the challenge that Khrushchev's policy of peaceful competition presents. He added he thought it important that Khrushchev see "the typical America" when he visits this country next month.

## Will Preach On State's Blue Laws

"Pennsylvania Blue Laws, the Constitution, and the Bible," the sermon topic based on the recent action of the legislators in Harrisburg to put teeth in the already existing Blue Laws on the state books, will be presented next Sunday night at the "It Is Written" tent-tabernacle in York Springs, now in the third week of a scheduled six-week evangelistic program.

E. Floyd Koch, evangelist and Bible commentator, a native of Pennsylvania, said that the signing of the bill by the Commonwealth's governor should cause serious thinking on the part of Christians of every denomination. In his discussion of this subject of Blue Laws the Evangelist will answer questions associated with civil and religious liberty in the light of the New Testament.

The Giants were without the services of their top-notch catcher, Gary Spence, which had some effect on the loser's defense. Dennis Rebert paced the winners with a pair of safeties while Bob Sanders collected the same number of hits for the Giants.

## Davies To Conduct Clinic In Germany

Bob Davies, representing Converse Rubber Co., will be among four basketball experts who will conduct a basketball clinic for U.S. Air Force men in Garmisch, Germany, September 21 through 25. Garmisch was the site of last year's Winter Olympics.

The group, consisting of two coaches, Bob Davies and "Slates" Gill from the University of Oregon, and two officials, will leave from Washington on September 16 and return September 26. En route to Garmisch they will stop over in London.

## Steel Strike At A Glance

By THE ASSOCIATED PRESS

**IDLE**—Some 500,000 striking United Steelworkers and about 107,000 employees of allied industries. Strike is 31 days old.

**NEGOTIATIONS**—Union President David McDonald continues to stay away from union-management talks in New York sponsored by Federal Mediation Service. McDonald planned to attend union rally in Detroit today.

**LOSSES**—Industry production losses are estimated at 300 million dollars a week. Strikers are losing some 70 million dollars weekly.

**ISSUES**—Union wants a 15-cent-an-hour annual pay increase and fringe benefits. Management claims these demands would cause a boost in steel prices and result in inflation.

## Mrs. Eisenhower Visiting Mother

DENVER, Colo. (AP)—Mamie Eisenhower plans to spend most of today visiting with her ailing mother, Mrs. John S. Doud, 81.

The President's wife arrived here Thursday by train. No announcement of the trip was made until about the time the train arrived. There was no indication how long Mrs. Eisenhower might remain here.

A Secret Service agent said Mrs. Doud was believed no worse than at the time Mrs. Eisenhower visited her last May. Mrs. Doud has been in poor health for about two years.

The Denver Post quoted Mrs. Doud's physician as saying she suffered a slight cerebral hemorrhage recently.

DENVER, Colo. (AP)—U.S. planes and ships sank two U.S. submarines and damaged 31 others in attacks resulting from false or uncertain identification during World War II.

Vice Adm. Charles Lockwood (ret), former chief of the Navy's Pacific submarine fleet, made the disclosure in an interview Thursday.

Lockwood said the submarine Sea Wolf was destroyed by a U.S. plane and a destroyer north of New Guinea. The Dorado was sunk by a plane in the Caribbean. There were no survivors in either sinking, he said.

Michigan State's soccer team carries a three-year, 22-game winning streak into the 1959 season.

## Wedding

MRS. F. R. RYMAN

The Twelve Apostles Lutheran Church, Saegertown, was the scene of the wedding Sunday of Miss Mary Christena Baker, daughter of Rev. and Mrs. R. W. Baker, Saegertown and Franklin Randolph Ryman, son of Mr. and Mrs. Walter L. Ryman, Aspers.

Rev. R. W. Baker and Rev. Dr. C. W. Baker performed the single ring ceremony. The church was decorated with white gladioli.

Mrs. Stanley McCullough, organist, played wedding hymns.

Rev. Baker gave his daughter in marriage. She wore an ankle length gown of embroidered organza over white taffeta. The veil was designed for the bride by Gino Cicchini, a Pittsburgh artist and designer.

Miss Ruth Kinnunen, Paxton, Mass., was the maid of honor. She wore a street length dress of blue nylon and taffeta and carried yellow roses. Ralph W. Baker Jr., brother of the bride, was the best man. James Marvin, Saegertown and Miles Bausch, Venango, were the ushers.

The bride's mother chose a blue-green flowered nylon chiffon over satin dress. The mother of the groom wore a dress of light blue lace over taffeta.

A reception followed the ceremony in the education building of the church. The couple left for a week's trip to Niagara Falls and Canada. For her going away outfit the bride chose a beige faille dress with a green flowered jacket of nylon chiffon. They will reside at Aspers R. 1.

The bride received her Bachelor of Science degree from Edinboro State Teachers College and her Master of Education degree from The Pennsylvania State University. She is an art teacher at the Gettysburg High School.

The groom is graduate of Biglerville High School and is engaged in dairy farming with his father. He is a member of the Aspers Lutheran Church and Adams County Senior Extension Club.

Out of town guests were from Omaha, Neb., Pittsburgh, New Alexandria, New Kensington, Aspers, Greensburg, Saegertown, Venango and Indiana.

## WAGON TRAIN NEARING ITS DESTINATION

INDEPENDENCE, Ore. (AP)—The Oregon wagon train will circle for its last bivouac in a field near this small western Oregon town tonight.

Saturday it will roll through Independence in a triumphal parade, but the end of the trip—the long road from Missouri—is now at hand. There is only a mile left for Saturday. Two thousand miles are behind.

"I'd go tomorrow for another trip just like this," said Roy Brabham, wagon builder and driver, his 60 years resting lightly.

"Once Is Enough"  
But the man who rode horseback the whole way as security officer had another view. Said Gil Carmine, 61, "Once in a lifetime is enough."

The party of nearly 30 rode out of Independence, Mo., on a chilly, misting day last April. Former President Harry S. Truman started the train with a slashing sweep of his hat that so startled a mule it tried to climb back into one of the wagons.

The trip was made to publicize Oregon's 100 years as a state.

The wagons retraced the old Oregon Trail where ruts still showed in Wyoming rangelands and as closely as they could elsewhere on the highways of Kansas, Nebraska, Idaho and Oregon.

**RICHARDS GETS TWO-YEAR PACT**  
By GORDON BEARD  
BALTIMORE (AP)—Paul Richards, who describes his job as "one of the best in the majors," has signed to manage the Baltimore Orioles through the 1961 season.

The well-regarded manager reportedly has had offers from five other clubs. There was speculation he would not remain with the Orioles when his three-year contract expired this season.

But at a press conference Thursday, Richards said "I hope to remain in Baltimore until I'm through as a manager. I have no desire to go anywhere else."

The 50-year-old native of Waxahachie, Texas, took over the hapless Orioles in 1955, serving in the unusual dual role of field manager and front office general manager.

His first club finished seventh. This year the Orioles have been in the first division all but a few days of the season and Richards only now is beginning to feel the first effects of his vigorous program of scouting and signing young players.

Board chairman Joseph Iglehart said Richards did not get a salary raise in the new contract, which is believed to call for about \$45,000 and a bonus of five cents for each home admission over 900,000.

Kraho Indians in Brazil run relay races on holidays. They carry 20 to 200 pound logs as batons.

Gas Dealers Meet To Fight Black Market: Sponsored by the local committee of the Petroleum Industry War Council as a part of its campaign against black market operations, a county-wide meeting of all retail gasoline dealers will be held at the court house next Tuesday evening.

Representatives of the enforcement branch of the Office of Price Administration will speak at the meeting on the efforts of the OPA to combat the use of counterfeit and stolen gas coupons. They will also outline the responsibilities of the retail dealers.

M. T. DeTar, president of the Aero Oil company and chairman of the local committee said the meeting has been called to bring to the attention of dealers and consumers the seriousness of the illegal dealings in gasoline. Black market sales steal from legitimate channels more than 2,500,000 gallons daily, he stated.

## Today's Talk

### NEVER GIVE UP

Never give up. There are enough failures in the world already. We need men and women of spirit to guide us through the maze of fears and anxieties that spread like a thick fog along our pathway. It is then that people should never give up, but ride the lighted way of courage until all danger has passed, which it is sure to do if our faith is undying.

Never give up. When you feel most like surrendering is when you should stand firm. It is then that all of one's resources are alive and full of faith. We must "ride out" our storms until we hear that famous cry "All's well!" It's this that gives us the new spirit which gives us self-assurance and hope.

Never give up. I like the sunrise better than the sunset, beautiful as the sunset is, but it doesn't give the promise and guidance that the new sunrise does. God, however, is behind each and has a purpose for each. He is the Light of the world, and always will be!

Never give up. Keep the flag of your heart always flying. There is beauty in just believing. I look out upon Nature, for it gives freshness to the soul. There should be a great deal of the Good Samaritan in us all, so as to spread happiness where it has never before existed. There is a spark of God in us when we are brave, and that bravery leads us like a father does a child.

Never give up. Become a guide to those of little faith. You will be thrice blessed, your joy will be multiplied, and you will mount like the eagles to higher ground. Never give up! Never acknowledge defeat.

Tomorrow Mr. Adams will talk on the subject: "Keep Creating!" Protected, 1959, by The George Matthew Adams Service

## RADAR BILL OK SEEN UNLIKELY THIS SESSION

By HERB LINNEN  
HARRISBURG (AP) — Sen. Robert Watkins (R—Delaware) said today approval of a radar bill is unlikely this session "unless there is a change of attitude" in his State Government Committee.

"So far the committee has shown no enthusiasm whatever for reporting this bill to the floor," he told The Associated Press. "The reaction has been bad."

The legislation would permit state police to use radar in checking for speeders on Pennsylvania highways.

It is backed by the Lawrence administration and has been in the Senate committee since winning approval in the Democratic-controlled House. A similar bill died in the Senate Highways Committee during the last Legislature. "Unless there is a change of attitude in committee, the bill is dead this session," Watkins said flatly. "Personally, I am opposed to it but if the committee wants it approved, I don't intend to stand in the way."

Meanwhile, the administration was reporting planning an all-out effort to save the bill which Gov.

Lawrence has described as a necessary tool "to stop the carnage on our highways."

**Plan Demonstration**  
One move to recruit support, it was learned authoritatively, is a special state police radar demonstration set for next Tuesday on the Pennsylvania Turnpike near the Harrisburg East Interchange. Commissioner Frank G. McCartney has invited Gov. Lawrence, Lt. Gov. John Morgan Davis and members of Watkins' committee to attend.

In his letter of invitation, McCartney voiced hope that the demonstration "may remove some of the doubt concerning the effectiveness of radar as a traffic-control measure and provide some enlightenment to those who are totally unacquainted with the device."

But the fact that it will be a tough selling job was pointed up in an interview with Watkins. He raised these objections to the bill:

perfect for traffic use and it would lead to fining mills across Pennsylvania.

"I also think the bill was drafted carelessly."

"Finally, no one has ever proved to me that radar saves a life. But I do find that it has opened areas where it is legal to fining mills and unfair prosecutions of motorists."

**The Other View**  
Sen. William J. Lane (D—Washington), one of six Democrats on the 18-member committee, saw it another way:

"I don't think the purpose of the law is to arrest people. Rather, it would be a psychological deterrent to speeders. If we had radar on our highways—and large signs posted saying so — You would see less speeding."

Davis, who as lieutenant governor presides over the Senate, sent the bill to Watkins' committee instead of the Highways Committee.

## CARDS BENCH STAN THE MAN FOR SEASON

By CHUCK CAPALDO

ST. LOUIS, Mo. (AP)—Stan Musial was benched Thursday night for the remainder of the season, but the aging St. Louis Cardinal slugger denied he has reached the end of the baseball trail.

"I'm already looking ahead to next season," said the 38-year-old National League great. "I'll definitely be back. I got off to a bad start this season and I'd just as soon forget the whole year."

The announcement that Musial would see only occasional pinch-hitting duty or perhaps get a starting assignment now and then came just before Thursday night's game with Los Angeles.

**Mutual Agreement**  
Redbird General Manager Bing Devine told reporters: "In an effort to use more of our younger players, Musial will not see much action for the remainder of the season."

Musial and Devine said the benching many believe may presage the end of one of baseball's most brilliant careers was "a mutual agreement."

"Stan can play as long as he can or wants to," Devine said. "Right now, though, 1960 is the year in question. He'll be back next season no matter what his batting average is this year."

**Batting .261**  
Musial has been batting .261.

"The only one I have to blame is myself," he said. "Perhaps I got into condition too slowly this spring. Maybe I should have knuckled down instead of working myself into shape gradually."

The veteran first baseman-outfielder carried a lifetime batting average of .340 into this, his 18th campaign.

## SIX ATTENDING 24TH ANNUAL LEHIGH CLINIC

Six wrestlers from the Gettysburg area are among the 208 participants at the 24th annual Sheridan wrestling clinic at Lehigh University this week.

A record enrollment was reported Thursday by Paul E. Short, business manager of athletics, for the two sessions. Another contingent of over 200 will attend next week.

Directed by Lehigh's mat mentor, Gerald Leeman, the clinic has a staff of nine coaches as instructors. They are: Charles Ridenour, University of Pennsylvania; Carl Frankett, Muhlenberg College; James L. Harkins, Bethlehem High School; Clyde Wittman, Manheim Central High School; Robert Siddens, West Waterloo (Iowa), High School; and Henry P. Campbell, Lehigh University.

Guest instructors at special sessions on officiating are John Engle, president of the Eastern Wrestling Officials Association; William Nelson, a member of the 1948 U.S. Olympic squad, and Ray Sparks, chairman of the wrestling rules committee.

Area participants include: Carl E. Hess, Biglerville; Arthur Miller, Biglerville; Rodney Palmer, Aspers; William W. Stoner, Biglerville; Ronnie Yansky, Aspers; and John T. Toggas, Gettysburg, Biglerville High School coach.

Pittsburgh (AP)—The Pennsylvania Little League baseball tournament gets under way here today.

Pittsburgh and Johnstown were slated for an afternoon game while Plymouth and Chester meet tonight.

**QUINN SILENT ON PLANS FOR PHIL MANAGER**  
PHILADELPHIA (AP)—The Philadelphia Inquirer reported today that Eddie Sawyer is expected to stay as manager of the Philadelphia Phillies in 1960. But General Manager John Quinn declined to discuss the future of Sawyer.

"We're still in 1959 and trying to get the ball club out of the cellar," Quinn shot back. "But we can't expect Sawyer to hit for the team."

"Bob (owner Bob Carpenter) and I have not discussed any personnel on the field for 1960 and I don't know when we will. That's all I want to say."

In a bylined story, baseball writer Allen Lewis said that "the chances are a lot better than even that Eddie Sawyer will be back as manager of the Phillies in 1960."

**Has No Comment**  
"Everyone is entitled to his own opinion," was Quinn's answer to Lewis' story.

When asked if he was satisfied with Sawyer's work thus far, Quinn said:

"We're not discussing Sawyer in any way, shape or manner. We just haven't discussed plans for next year. I don't think that's unusual. Why don't they ask some of the other ball clubs."

## SP Season Ends Sunday; PM Has Another Week

The South Penn Baseball League will close out its regular season Sunday afternoon with a full schedule. Only one game, Mummaburg at Brunshtown, remains on the postponed list. The main attraction will be Jefferson at Arendtsville. Even though Arendtsville has captured the title, Jefferson is still battling to nail down second place. A large crowd is expected to be on hand to witness the encounter.

Plenty of action will be available for local fans in the Penn-Mar League. The league has two more weeks scheduled which means four positions could change hands by the end of the regular season. Hanover, Fairfield, Blue Ridge, and Taneytown all have a chance of going up or down in the league standings.

**The schedule:**  
**South Penn**  
Greenmount at Booneville  
Brushtown at Harney  
Hunterstown at Mummaburg  
Jefferson at Arendtsville

**Penn-Mar**  
Blue Ridge at Booneville

Emmitsburg at Hanover.

## EARLY WYNN GETS HIS 16TH ON SHUTOUT

By JOE REICHLER

**Associated Press Sports Writer**  
Few realize just how great a pitcher Early Wynn really is. Here's a fellow going on 40 enroute to a 20-game winning season. How many pitchers do you suppose have won 20 at Wynn's age? Christy Mathewson? Walter Johnson? Herb Pennock? Bob Feller? Kid Nichols? Iron Man Joe McGinnity No!

Only two have done it and they rank among the three or four greatest pitchers ever in baseball. Cy Young won 20 when he was 41 and Grover Alexander won 21 at 40.

**Shuts Out Tigers**  
Wynn won his 16th Thursday night in pitching the league-leading Chicago White Sox to a 9-0 victory over Detroit. He not only is the biggest winner in the league but he leads with five shutouts. The triumph was the 26th of his career, just 35 short of becoming the first pitcher since Lefty Grove to win 300 major league games.

The triumph enabled the White Sox to maintain their 2½ game lead over the Cleveland Indians who defeated Kansas City 7-5. Washington knocked off the New York Yankees again 5-2. Boston and Baltimore were idle.

**Yanks Humbled Again**  
The White Sox, usually a band of cream-puff hitters, exploded for four home runs in support of Wynn's three-hit pitching. Jim Landis, Bubba Phillips, Earl Torgeson and Sherm Lollar were the homer hitters. Don Mossi took the brunt of the Sox's 14 hit attack.

Russ Kemmerer, who had lost six straight, hurled a six-hit shutout against the Yankees for his first victory since June 28. Harmon Killebrew paced the Senators' attack against loser Bob Turley with two run-scoring doubles and a single.

## Upper Adams Pony League

The Biglerville Red Legs won the second half title in the Upper Adams Pony League by blanking the New Oxford Dodgers 10-0 Thursday evening to wind up the season. Since the Red Legs won the first half title also, they became the new champions of the Pony League.

Bill Garretson and Bill Sanni pitched the win for the new champions.

**R. H. E.**  
Red Legs — 4 0 2 3 0 — 10-0  
Dodgers — 0 0 0 0 0 — 0-2  
Batteries: Red Legs: Garretson, Sanni and Kane; Dodgers: Staub, Smith and Topper.

The Idaville Senators capped their first win of the second half by downing the tough Arendtsville White Sox 8-4 at Idaville. The loss keeps the White Sox in fourth place in the league standings.

The York Springs Giants and Bendersville Orioles played a tight ball game from start to finish as the Giants edged the Orioles 2-0 at York Springs. Bill Delp and Wright teamed up to turn in an exciting pitchers duel all the way. Delp allowed one walk, two hits and struck out 10 men. Wright also gave up two hits, walked four and struck out 11 batters.

The Giants tallied their only two runs in the bottom of the sixth. Barry Guise and Ron Trostle drew walks, advanced to second and third and scored on another walk and two Orioles miscues. Charles Gembe collected both Giant hits while Crum and Hoffman belted out the only two Oriole hits.

**Line score:**  
Orioles — 0 0 0 0 0 — 0-2  
Giants — 0 0 0 0 2 — 2-0

Batteries: Orioles: Wright and Showers; Giants: Delp and Guise.

Only one make-up game remains on the schedule before the season officially ends. The White Sox and Dodgers will play their postponed game of August 6 on a date to be announced later.

**BEST-BALL TOURNEY**  
HAZLETON, Pa. (AP)—The best-ball-of-partners tournament of the Central Pennsylvania Women's Golf Assn. goes into the final round today.

Three of the four partners in the championship flight are members of the host Valley Country Club.

Mrs. John C. Dunn and Mollie Turner defeated Betty Fehl, Berkshire, and Mrs. H.R. Eshelman, Lancaster, one up on the 18th green in Thursday's semifinal round.

Sawyer pitched the Phillies to their last National League pennant in 1950. He was fired June 27, 1952, when the club slumped. Then, in a surprise move, he was rehired July 22 of last year to replace Mayo Smith. At the time he was given a contract for the remainder of the 1958 season and all of 1959.

The Phillies were in sixth place when Sawyer took over in 1958 but finished in the cellar.

## Old Timers Play At Bendersville

Wilson Wenk, Upper Adams baseball league supervisor, announced today that there will be a benefit baseball game played at Bendersville with the proceeds going towards the expenses of repairing the Bendersville baseball diamond.

The game will be played Sunday afternoon at 2 o'clock, pitting Chester Ogden and his "Old Timers" against the Bendersville Orioles of the Upper Adams Pony League. The "Old Timers" will be composed of the men from Bendersville who are over 30 years old.

## GREEN BAY PACKER COACH IS HOPEFUL

By DAVE O'HARA

**Associated Press Sports Writer**  
GREEN BAY, Wis. (AP)—Vince Lombardi has inherited many problems in his first year as coach of the Green Bay Packers in the National Football League. And a big one is building up the players' confidence.

"The big thing is to make these boys think they can win," Lombardi said. "We have to have a winning frame of mind."

Winning football has been something strange to Green Bay's ardent fans in recent years. The Packers have not finished above .500 since 1947. And last season they won only one and tied one in 12 games.

The 1959 outlook isn't too bright, either. But Lombardi isn't discouraged as he whips his charges through rugged drills.

"We'll win it — I!"  
"I won't say we'll win any championship, but we'll do our defense holds up, we escape serious injuries and we can develop a top-flight quarterback from what we have," he said.

Lombardi, one of the famed "Seven Blocks of Granite" at Fordham, is a firm 45-year-old taskmaster who enjoyed success as backfield coach at Army and then the New York Giants.

Among the top first year men are Dick Emerich of West Chester (Pa.) State, halfbacks Tim Brown of Ball (Ind.) State, George Dixon of Bridgeport (Conn.), and Alex Hawkins of South Carolina, fullback Dave Smith of Ripon (Wis.), defensive back Bill Butler of Chattanooga and Bob Laraba of Texas Western, and ends Buddy Mayfield of South Carolina and A. D. Williams of College of the Pacific.

**Ringo Leads Vets**  
The veterans are led by all-pro offensive center Jim Ringo, starting his seventh NHL season. First class newcomers obtained from the clubs include defense specialist Em Tunnell, end Bill Quinlan and halfback Lew Carpenter.

The Packers lack depth except at offensive tackle. They also need to find an offensive guard, an end and a speedy back who can break a game wide open.

Three veterans are battling for the No. 1 quarterback job. They are Lamar Mc Han, an off-season acquisition from the Chicago Cardinals, Babe Parilli and Bart Starr. All three have been inconsistent throughout their careers.

## LINCOLN CARDS TOP US RACERS

Twenty-six leading leadfoots of the late-model automobile racing circuit will converge on Lincoln Speedway Saturday night, for a 150-lap test of driving skill and nerve.

The United States Automobile Club, Marc Racing Association of Toledo, O., and Penn-Mar, an eastern outfit, will be represented by their top drivers in mounts ranging from '59 models to a few of the '56 vintage.

Many of the entries hail from the Midwest, where Marc, an association originated by Johnny Marcum, and USAC hold forth on a regular basis.

Competing under the Penn-Mar banner will be several drivers well known to area stock car fans. At least four of them, Junie Taylor, Frankie Snyder, Reds Kagle and Jim Findley, raced modifieds in the early days at Lincoln. Taylor paced point men at the Hills plant from 1953-55.

Behind the wheel of '59 models are four men who will bear watching, Dick Bailey, Grove City, who will pilot a Plymouth; Virgil Barbe, Detroit, in an Oldsmobile; Homer Newland, also of Detroit, in a Ford, and Johnny Dodd Sr., Baltimore, in a Ford.

Dodd's son, Johnny Jr., is due here in a '57 Mercury convertible. Another probable for convertible fans is Elmo Langley, the Washington ace, who has been driving a '57 Ford hardtop and '59 Buick convertible.

Positions in the starting field, which may top 30 by race time, will be determined in two 25-lap heats, the first of which has been set for 8:30.

## MINOR LOOPS WANT DECENT OPPORTUNITY

By FRITZ HOWELL

**Associated Press Sports Writer**  
PHOENIX, Ariz. (AP)—The minor leagues "want a decent opportunity to provide the whole-some sport of baseball for their communities."

Leslie O'Connor, president of the Pacific Coast League, who long has fought the majors on many fronts, summed up the future of the smaller loops with:

"We are going to wind up with the absolute minimum that the majors may figure to be essential, all of which will have to be major league financed."

**Answers Frick**  
"That has been my opinion for 30 years and I think I erred only in underestimating the suffering and losses the minor league clubs would endure in their desperate efforts to continue to provide professional baseball to their communities, and hence the length of their death struggle."

Discussing Commissioner Ford Frick's remark that he did not think it desirable to return to the 1949 status of 59 leagues, "half on the verge of bankruptcy," O'Connor said:

"There is not — and never was — anybody wanting anything except solid, financially sound leagues, nor a return to the 90-league level with half on the verge of bankruptcy."

**Need Strong Association**  
"What they do want is a decent opportunity to provide the whole-some sports of baseball for their communities. What caused them to pass over the 'verge of bankruptcy' was major league monopolization of player talent, major league competition with immense farm system resources against independent clubs with ordinary, limited resources, and finally major league radio-TV invasion and competition in the home towns of the independent clubs."

To bring about some hope of survival by the minors, O'Connor said, "a strong completely representative association of independent clubs is highly desirable."

## Religion Can Be Spiritual Food Of Life

REV. O. KROEGER, PASTOR.  
Zion Lutheran Church  
Fairfield

How often have you heard or been guilty of commenting as to how thought-provoking a stimulating sermon was? How often have you heard or been guilty of telling the pastor that his message surely was food for thought? One of the greatest problems with the Christian Church and Christians in general since Pentecost is that the followers of Christ have had their thoughts provoked but seem to loose enthusiasm when they attempt to apply the teachings and actions of Christ to their daily living.

Such was the problem when the Epistle of James was written. The writer of it recognizes that true Christian discipleship rests in not only hearing God's word, but in doing it also.

### "Food of Life"

The writer was also aware that when men began to put their religion to action, they, as individuals, underwent a great change, and their religion became the very fruit, the spiritual food of life, for which they were always hungry, and with which they could never be overfilled. However, they attained this height of maturity only by coming into full realization of the true power of Christ as a force for good in the hearts of men. When one meets Christ face to face in such a personal manner, then he can no longer be but a hearer, but, as a true disciple, is compelled forever after to be a doer also.

As in the early church, we today are confronted with the problem of action rather than just complacent listening. Today, as then, the word of Christ is still alive and vital for us. Today, as then, this very same Epistle commands us to look at ourselves, to stop just following the crowd, and to act.

"Are ye able still the Master Whispers down eternity and heroic spirits answer NOW as then in Galilee. Lord, we are able!"

### "Living, Moving Dynamo"

It has been said "Actions speak louder than words." This has always been true and today it becomes more real. In our machine age, an age of motion, an age of action, the Word of God can only display its full brilliance when we, as hearers, make the Word a living, moving, dynamo through our actions.

Each of us has a responsibility and none of us are too small or insignificant. In our mechanistic world every last machine must do its part in action, lest the entire outcome of production falls short is changed, or fails completely.

Far too many of us feel like a cymbal player in a huge orchestra who waits for hundreds of measures to play one small, seemingly unimportant note. He feels he is not heard, nor is he doing any good. But without that one note played just at the correct time, a masterpiece, a divinely inspired work, is worthless and has lost its meaning. Likewise we are all symbol players in the huge orchestra of life, and though our part often seems small and worthless, we are all part of a divine score and rather than question it we should wait patiently, listen attentively, trusting our leader, and when our maestro gives us the downbeat, he is pointing to us to us and its time to act, lest we abate a masterpiece.

### "Answer Boldly"

We answer boldly that we are able, but we are only able when we take our beautiful words, and thought-provoking sermons from the realm of thought to the realistic plain of action.

We must take the Word of God and inscribe it upon our hearts in such a way that His word, reflecting full Christian animation, overwhelms all who come face to face with him who is an active, true disciple of Jesus Christ.

"But be doers of the word and not hearers only, deceiving your own selves."

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Trespasser Sues Railroad For Leg

SAN FRANCISCO (AP) — An airman who admitted he was trespassing sued the Southern Pacific Railroad Thursday for \$200,000 for loss of a leg under a freight car in a Reno, Nev., freight yard.

Airman 2/C Nathaniel Woodruff, 22, now at Travis Air Force Base, filed the suit in U.S. District Court.

He said he fell asleep under a box car and his leg was run over when the car was switched.

His suit, filed by attorney Manuel Furtado of Hayward, Calif., said the railroad knows people frequently fall asleep in switch yards and has a duty to trespassers to be careful while switching cars.

## BUTLER WON'T COMPROMISE ON L. A. ROW

LOS ANGELES (AP) — Democratic National Chairman Paul M. Butler said today there will be no compromise in a row that threatens to pull the 1960 Democratic convention out of Los Angeles.

He arrived to meet with California Democratic leaders on the stormy issue of how many convention tickets the Los Angeles host committee will get.

Butler said that if the dispute isn't settled by the time the party's National Committee meets Sept. 16, steps will be taken to select another site for the convention.

**Butler Won't Budge**  
Thursday night Mayor Norris Poulson said in a letter to Butler: "We most certainly want the convention but not at any price."

Poulson said, "Written records show conclusively that there was an agreement on 5,000 tickets for the host committee."

Butler is offering 1,500. The host committee's finance chairman oilman Edwin Pauley has accepted the mayor's compromise proposal of 3,133 daily tickets but Butler is standing firm.

"There just can't be any compromise, I'm sorry to say."

He said Chicago's host committee at the last Democratic National Convention got only 560 tickets, with 60 reserved seats each day.

## 3-Day Open House In Full Swing At New Town And Country Gas Headquarters

A three-day open house is in full swing at the new Town and Country Gas Service headquarters in the former Boyd's schoolhouse, two miles north of here along the Biglerville Rd.

Residents of the county and nearby areas visited the new business place Thursday at the first "open house" session. Visitors are welcome again today from 1 to 10 p.m. and during the same hours on Saturday.

Besides being shown some of the marvels that modern science has developed with new uses for gas, visitors may be given valuable information by James T. Hays Jr., manager of the business, about new and economical uses for gas in the home.

### Big Two-Way Assist

For instance, Mr. Hays said this morning: "Modern gas equipment is providing a big two-way assist in enabling many thousands of families to obtain added months of pleasure and healthful recreation from their summer homes."

"New heating equipment has the biggest role in the dramatic rise of the 'two home family,' but all gas appliances figure in the evolution, one of the most important in current real estate trends. Not only does gas help make life pleasant and comfortable at the 'second' home, regardless of the time of year, but its automatic operation in the family's regular residence provides the freedom of care that lets folks get away."

Just Set The Thermostat "Folks have but to set the

thermostat, lock the doors and go. With gas equipment in the second house, it's ready to warm up quickly for the family. The spring fishing trip or the winter sports expedition becomes just as easy as the weekend in July or August.

"The maintenance work that provides recreation as well as results for many handy folks can be spread over a year — it doesn't have to be crowded into a few spring weekends. The friendships that spring up in resort areas needn't lapse from September to June."

"Gas-fired direct heating equipment plays an important part in this surge of second homes. New vented circulators, furniture-styled and automatic, are especially popular. Economical, safety-tested metal venting makes it easy to add heating units wherever desired. Gas floor furnaces, and wall heaters or wall furnaces also are favored for modest first cost, ease of installation and low operating cost."

### Other Advantages

"And there are many people, particularly those looking ahead to full-time use of their erstwhile summer homes after retirement, who are making investments in full-scale central heating systems. These and other improvement costs often can be recovered easily through part-season rentals."

"Gas ranges, water heaters and refrigerators have a prominent role in the marked upgrading of second home or summer home equipment. Families with children find the gas clothes dryer saves

## Kane's Hotel Specializes In Seafoods All Year Around

Specializing in seafoods the year around, Kane's Hotel, 10 miles west of Gettysburg on the Lincoln Highway, has been in business since a few months before the new section of the Lincoln Highway was opened to traffic a decade ago.

Built and operated since that time by Mr. and Mrs. Joseph Kane, Biglerville R. 2, the hotel is a favorite stop for local folk and for tourists, too.

The hotel's dining room opens daily at 10 a.m. and offers a menu that highlights seafoods every month in the year. Oysters are served in season and there are shrimp, soft and hard-shelled crabs, clams and crabcakes as well as regular platters regularly.

The hotel has a beer and liquor license and the bar is comfortably air conditioned. Operation of the 10-room hotel, dining room and bar was a new venture in 1949 for the Kanes. They had operated a general store along the old Route 30 a mile or so to the south across the valley from 1938 to 1942. They had purchased the store from Mr. Kane's father, the late George A. Kane, in '38. Kane's store had been in business at that site since 1898.

The hotel is located along the north side of Route 30, five miles east of Caledonia, near the eastern foot of Mt. Newman.

many hours of packing and unpacking — it isn't necessary to lug along a lot of extra clothes. By disposing of garbage and trash, the gas incinerator is especially helpful in areas where refuse collections may be lacking, or especially expensive," Mr. Hays said.

## "MAD KILLER" ADMITS HE MURDERED 3

ISLIP, N.Y. (AP)—A husky construction worker, an ex-convict with a psychiatric record, has admitted he was Suffolk County's "mad killer" who murdered three holdup victims within eight days.

A confession by Francis H. Bloeth, 27, was announced Thursday night by Suffolk County District Atty. John P. Cohalan. Bloeth's attorney, Sidney R. Siben, said his client had shown no remorse in admitting the killings in this Long Island area.

Siben said Bloeth told him he threw the murder weapons — a .32-caliber revolver and a .32-caliber automatic — into Lake Ronkonkoma and into a ditch alongside a county road. Cohalan ordered an immediate search for the weapons.

Ballistics tests show two of the killings were committed with a revolver and the other with an automatic.

Netted About \$400

Robert Walsh, 21, an ex-convict pal, put the finger on Bloeth early this week. Walsh said he sold the revolver to Bloeth six months ago and the automatic to him only four hours before the third slaying—that of Mrs. Irene Currier, 50, of West Yaphank, slain Aug. 8 in a diner she operated at Westhampton.

Bloeth had steadfastly denied the slayings. Both Bloeth and Walsh took lie detector tests, but the results were not announced.

In all three slayings the victims were alone late at night. The first murder occurred July 31 with the shooting of Islip grocer Hans Hachman, 54. The other victim was counterwoman Lawrence Kirchner, 53, slain Aug. 5 in a Smithtown diner.

The holdup killings netted less than \$400.

## ANDY SAYS OPPORTUNITY KNOCKS OFTEN

By HAL BOYLE

NEW YORK (AP)—Andy Williams has been such a standout in the desert of summer television that some people are convinced he must be a mirage.

Moguls from the networks, Broadway and Hollywood have been knocking on his door and crying, "Open in the name of opportunity."

But the pleasant voiced, finger-snapping young baritone isn't a man to be rushed off his feet by love or money.

Need An Ear

"You can't afford to make too many mistakes," he said. "But I think opportunity knocks more than once. You just have to have an ear for the right knock."

Andy, at 23, already has had a long ride on the roller coaster of show business. He started singing at 8. In 1952, he was making only \$175 a week at a night club here. Now his income is in the six-figure bracket. Eight of his 10 records have been smash hits.

He is considering two bids for an hour-long TV show, two movie offers, and a bid from Broadway.

Hails From Iowa

"I'd like to try a Broadway show," he admitted. "But for me it's a completely different field. You have to sing bigger. You can't croon and get by on Broadway."

Andy, who hails from Wall Lake, Ia., looks and acts like just

what he is — a boy from the Midwest who has made good in the big city, and still feels at home in either place.

"The biggest fear of anyone in show business today is not to wear out his welcome in a couple of years," he said.

48 Hours For One

"It's better not to get too big all of a sudden. I think it's better to build gradually — and hope to last longer."

His easy-going air is the fruit of endless painstaking. He rehearses 48 hours for a one-hour show.

Andy lives alone in a small East Side apartment, likes to collect modern art, and play golf. He is in no hurry to give up his bachelor freedom.

SEVERE PENALTY

WASHINGTON (AP)—James H. Drass & Co., Inc., Sunbury, Pa., is one of 11 members expelled by the National Assn. of Securities Dealers for alleged violation of the organization's fair practice rules.

A statement Thursday said it is the most severe penalty imposed by the association of dealers in over-the-counter securities.

### WORLEY TALKS TO SPORTSMEN

Assemblyman Francis Worley was the guest speaker at the August meeting of the Littlestown Fish and Game Association, Inc. Wednesday evening at the Fish and Game Farm. Mr. Worley spoke concerning farm ponds and federal aid for their construction and improvement, at which time it was learned that the association would not be eligible for federal assistance with the pond project now undertaken. He also read a letter from M. J. Gulden, executive director of the State Game Commission, regarding stocking rabbits and suitable places for doing the stocking. A question and answer period followed Mr. Worley's talk and he discussed pending legislation.

The business session was in charge of President Hadley W. Blocher. It was announced that present work on the pond dam has been completed and water is entering the pond. All those who possibly can do so, are asked to help stone the dam on Saturday, August 29. It was decided to increase the 1960 membership dues from \$2 to \$3 to meet the expenses involved in improved construction of the dam. Thanks were extended to Jack Sell for his time and efforts in planting winter seed for the birds.

The archery committee, Kenneth W. Olinger, chairman, reported that the recent archery shoot was very successful with 88 participating. It was also noted that visitors are welcome to walk over the archery course and they are requested to enter the course at the specified places and always "walk forward among the targets, abiding by the safety rules. The group thanked the archery committee for the "fine work" done in setting up the new course.

A corn bake preceded the regular session and was well attended. The affair was in charge of Glenn Bowers, Edgar H. DeGroff, Earl Brumgard, Kenneth Olinger and Irvin Conover. The refreshment committee for the next meeting of the sportsmen on Wednesday, September 9, includes Lloyd E. Baker, Noah M. Streiv, Robert Spangler and Gerald W. Daley.

## Eastern League

By THE ASSOCIATED PRESS  
Oh, Ray Alomar's aching back — or is it his arm.

Alomar's wildness and Quinn's slowness Thursday night allowed Williamsport to score what proved to be the winning run in a 5-4 victory over Springfield.

The win gave Williamsport a 2½ game lead in the Eastern League and dumped Springfield into a second place tie with Allentown, which beat York 3-1.

In other games, Binghamton defeated Albany 6-4 and Reading edged Lancaster 5-4.

Quinn was on the mound with runners on first and second and two out in the Williamsport seventh. Tony Curry singled to right, scoring the tying run. When Alomar threw wild to home, Wilbur Johnson dug for the plate. Quinn, however, was slow in backing up the catcher Tom Haller and the ball rolled all the way to the backstop, giving Johnson plenty of time to score.

**Hopke Leads Attack**  
Fred Hopke led the Grays' attack with two doubles and a single to drive in two runs. Ed Keegan (9-7) went the route for the win, giving up 12 hits but striking out 11.

Ron Cote and Marlin Coughtry teamed up to spark Allentown's victory. Cote (10-10) hurled a four-hitter. Coughtry belted a home run, double and single. Hal Dietz (7-5) was the loser.

Catcher Richie Windle rapped a three-run homer in the first inning to start Binghamton and Rud Serrett (9-7) off to victory. Lev Spencer (16-8) was the loser.

Reading rallied for two runs in the sixth to win on a triple by Dale Bennett and doubles by Cooter Jones and Fred Frickie.

## MASON HOLDS DETROIT LEA

DETROIT (AP) — Ma

Rudolph, a happy-go-lucky kid, ing to strike it rich in the professional golf ranks, held a one-str lead over a couple of the gam wealthier citizens as the Mo City Open moved into its second round today.

Rudolph's 4-under-par 67 gave him the edge over Frank Stranahan, a born millionaire, and D Finsterwald, who makes money the fistful on the tournament circuit.

This is only the eighth tournament in which the ex-Memph State collegian has competed. Other professionals regard him one of the most promising newcomers on the tour.

Just as an eagle helped the 1 year-old native of Clarksville Tenn., to his 67 score, an eagle earned Stranahan a second place deadlock. Stranahan, who played out of Crystal River, Fla., fired his best round in months in the opening round at Meadowbrook Country Club Thursday.

**BLAIRSVILLE, Pa. (AP)**—The touring Panama Canal Zone All-Stars spotted the West Anna All-Stars two runs in the second inning, then went on to defeat the host team 9-5 Thursday night.

After West Anna's Barry Wensel socked a bases-loaded double in the second for a pair of runs, the Panama team came back with runs in each of the last five innings.

## Fearing Arrest Man Lives In Woods; Loses 95 Pounds

PONTIAC, Mich. (AP) — Bernard J. Blechars, divorced and saying he was behind in his alimony payments, was troubled and fearful that police were looking for him. He went into the woods to think.

He stayed there three months. Police found him along a highway Wednesday in fashionable suburban Bloomfield Hills. The 32-year-old Detroit shipping clerk's clothes were in rags. His hair and beard were matted with dirt.

He weighed 80 pounds. He was a husky 175 when he began his self-imposed exile from society May 9.

**Ate Apples, Berries**  
"I'm divorced," Blechars mumbled to incredulous officers. "I was behind in my alimony. I thought the police must be looking for me. I found this place. It looked like a pretty good place to me."

For three months, Blechars said, he ate apples and berries, drank water with his hands from a muddy creek and covered himself at night with a piece of plywood.

"I didn't do anything," he said. "I just thought."

He gave no reason for leaving the woods. Police said they had no warrant for his arrest.

**Swampy Secluded**  
The place in which he lived is a swampy, secluded spot within shouting distance of several houses belonging to the wealthy who live in the suburb.

Blechars' ex-wife, Nancy, 24, reported him missing the day he

said he entered the woods. He had quit his job as a shipping clerk at a Detroit manufacturing firm about a week before. The Blechars, parents of a 4-year-old girl, were divorced in July 1958.

Physicians said Blechars, a Marine who served in the Pacific in World War II, was suffering from malnutrition and loss of weight but otherwise showed no ill effects from his experience.

## SAY PATIENTS WERE ABUSED

EVANSVILLE, Ind. (AP) — Prosecutor O. H. Roberts Jr. said Thursday he had prepared two charges involving operation of the Evansville Comfort Nursing Home where the Vanderburgh County grand jury reported patients' toenails were pulled out "as punishment for alleged misconduct."

The prosecutor declined to elaborate on the charges until warrants are served.

Roberts said Harold Barnes and his wife, Viola, are still operating the home although their state license expired July 1. The prosecutor said the couple failed to file a renewal application within the required period but since had filed one, which is pending.

He said he did not know how many patients are in the home now but relatives had removed several during the grand jury investigation.

Mrs. Barnes said the accusations are untrue.

The jury report said also that patients were punished for bed wetting "by pouring a disinfectant upon parts of their bodies."

The report did not say how many patients were punished.

## FIND MARBLE IN MONUMENT

WASHINGTON (AP) — What they found in the Washington Monument is embarrassing both the housekeeping and historical branches of the government.

It's a 200-pound block of marble. As big as a suitcase, it has lain unnoticed in a corner of a stair well for something like 80 years. Workmen found it when they installed a new elevator several months ago.

The big stone is apparently one of 189 sent from different states, countries and societies when the monument was being built during the last century—the job took 36 years, being finished in 1884.

This one is inscribed "Carthage," and sure enough, one of the gift stones from the ruins of ancient Carthage—donated by an individual. Only trouble is it was supposed to have been built into the monument with the other 18, and guide books list it there.

Why it wasn't is something Edmund J. Fitzgerald, superintendent and historian of the monument, can only guess. He thinks it probably just got lost during the two decades between 1860 and 1880 when no work was done on the monument.

What's he going to do with it now? He doesn't have the answer to that, either.

HARRISBURG (AP) — Cumberland County youths took the top prize Wednesday in 4-H dairy judging at the 35th annual 4-H Club week program on the Pennsylvania State University campus.

Team members are Clarence Corman, John Widders and Merle Miller Jr., all of Carlisle R.D. They won over teams from 43 other counties and earned the right to compete in an interstate contest.

Joe Weigner, Gilbertsville R.D. 1, Montgomery County, won top individual honors in competition with 61 judges.

TALKS RECESS

PITTSBURGH (AP) — Negotiations for the United Steelworkers and the National U. S. Radiator Co. have recessed talks without setting a date for their next meeting.

John Hagan, chief negotiator for the USW, said Thursday it is up to management to set a date to resume the talks after it finishes studying the union's proposal for a new contract.

## Refuse To Close Casey Jones Depot

JACKSON, Miss. (AP) — The Mississippi Public Service Commission has turned down a railroad request to close the station where Casey Jones crashed into immortality 59 years ago.

The commission ruled against the Illinois Central's petition to discontinue service at Vaughn on the grounds that the station was losing money. The commission held the service was needed to attract industry.

Casey Jones made the Yazoo County town famous when he wrecked his train in trying to make up time on the run from Memphis, Tenn., to Jackson, Miss.

Trail Of Shells Leads To Thieves

FORT KENT, Maine (AP) — It didn't take much sleuthing skill for state police to solve a break at an Eagle Lake restaurant.

As a result Ronald Morneault, 18, Alfred Dube, 20, Ernest Roy, 18, and Donald St. Germaine, 20, pleaded guilty today to breaking, entering and larceny and were held for Superior Court action.

Police explained: The youths stole eight pounds of pistachio nuts and ate them on the way home. The shells led to Morneault's driveway.

KIEL, Germany (AP) — A small German coastal freighter and a Soviet destroyer collided in a fog near Kiel in the western Baltic Thursday, but the crew of the German ship plugged the hole in their vessel.

The Soviet ship resumed a west-bound course in company with two other warships, and it was not known if she had been damaged.

LONDON (AP) — The Rev. Hugh Herbert recommended today that married couples "up to tea and to tinkle—until death do us part."

"Marriage should be fun. Far too many marriages are wrecked on the rocks of monotony," said the rector of St. John's Anglican Church in Surrey, in an article for his parish magazine.

STILL NEAR DEATH

HOUSTON, Tex. (AP) — The only surviving veteran of the Civil War's fighting, 116-year-old Walter Williams, hovered near death today.

Williams refused food Thursday after taking only a few drops of gelatin and milk the night before. His condition was described as very poor after a bout with pneumonia.

**Major League Stars By THE ASSOCIATED PRESS**  
Batting — Frank Robinson, Reds, drove in five runs with a grand slam homer and a sacrifice fly to lead Cincinnati to a 9-8 victory over Milwaukee.  
Pitching — Early Wynn, White Sox, hurled his second straight shutout, fifth of the season as Chicago defeated Detroit 9-0. It was the 39-year-old right-hander's 16th victory of the year and 265th of his career.

## HAS POLIO FOR SECOND TIME

SALISBURY, Md. (AP) — Candy Johnson, 23-year-old housewife from Princess Anne, is hospitalized with her second case of polio.

Mrs. Johnson had polio seven years ago. It left her with partial paralysis of one leg.

About two weeks ago she became ill and was hospitalized. At first doctors discounted the ailment as polio since she had had the disease once. But Thursday Dr. Seth A. Hurdle confirmed she has polio for the second time.

The leg that was partly affected now is paralyzed, he said.

He said she had taken no Salk vaccine shots. She had been advised against the shots, Dr. Hurdle said, on the assumption she had immunity as a result of the first case. He said that there are three types of polio virus, and they act independently.

A FLIP ON THE RUN

COUDERSPORT, Pa. (AP) — Ever try flipping a pancake in a frying pan while on the run?

Mrs. Miriam Stern, of Mill Hill, Pa., did it Thursday in a 100-yard sprint that won her the special prize of a gold skillet at the first annual Pennsylvania "Potato Day" here.

The aircraft was the first Boeing 707 to land in Bonn.

## Franklin County Youth Is Killed

HARRISBURG (AP) — Jerry G. Johnston, 18, Chambersburg R.D. 2, died on Thursday of injuries suffered in a one-car smashup near Mercersburg, Franklin County. Three other youths were seriously injured.

Johnston suffered spinal injuries in the crash and was rushed here after emergency treatment at Chambersburg. He died shortly after arrival.

Three other boys were listed in fair condition in Chambersburg Hospital. They were identified as Theodore Pugh, 17, Robert Johnston, 19, brother of the dead youth, and Howard Logue, 19, all Chambersburg R.D. 2.

State police said the accident occurred on state Route 75 Wednesday night north of Mercersburg when Pugh apparently lost control of the car on a curve.

BONN, Germany (AP) — President Eisenhower's pilot proved Thursday you can land a giant Boeing 707 jet at the Bonn Airport.

A crowd of 500 saw Col. William H. Draper Jr., the President's pilot, bring the big jet in for a perfect landing. Aboard was James H. Gertty, Eisenhower's press secretary, who came here to help prepare for the President's visit Aug. 27.

The aircraft was the first Boeing 707 to land in Bonn.

## THERE'S MORE OLD THAN GOOD ON WEEK'S TV

By CHARLES MERCER

NEW YORK (AP)—They call it the good old summer time, but network television has more that's old than good in the coming week. However, to be as optimistic about it as possible:

The Dodgers play the St. Louis Cardinals on NBC Saturday afternoon. Again on Sunday, same network, the same teams will play again.

Gov. David L. Lawrence of Pennsylvania will "Meet the Press" on NBC Sunday. Conquest rebroadcasts on CBS an open heart operation on an 8-year-old girl at the University of Minnesota hospital.

### Some Suggestions

Later on NBC Chef Huntley Reporting makes some suggestions on what Soviet Premier Nikita Khrushchev should be shown on his visit to this country. Some of the items: food surpluses in the West, the building boom in New York, the "mile of brins" along the Charles River at Cambridge, Mass.

A new show and probably the best of the week will be the hour-length dramatization of O. Henry's "The Ransom of Red Chief" on NBC Sunday night. William Bendix and Hans Conried play two confidence men who kidnap the son of a local citizen, played by Mickey Rooney's 9-year-old son Teddy, in an effort to make money for one of their fraudulent schemes.

Bold Journey repeats a cold journey in hot weather on ABC Monday night when it climbs high into the Himalayas to observe the life and trading methods of Tibetan tribes.

Guests on the Andy Williams Show over CBS Tuesday night are singers Eydie Gorme and Mel Torme and comedy-magician Mr. Ballantine.

Wednesday night, on CBS, Armstrong Circle Theater repeats its documentary drama of the nuclear-powered submarine Nautilus on its crossing under the North Pole.

Playhouse 90 repeats "the Velvet Alley" on CBS Thursday night. Art Carney stars in this drama about a writer who loses his sense of values in Hollywood.

## SETTLE STRIKE OF CLEANERS

PHILADELPHIA, Aug. 14 (AP)—Some 1,000 workers in 23 wholesale dry cleaning plants in Philadelphia, Delaware and Chester counties were back on the job today after settlement of a one-day strike.

Officials of Local 10, Laundry and Dry Cleaning Workers International, said the agreement reached late yesterday calls for a 15-month contract with an overall nine per cent wage increase. Previous wage scales were not disclosed.

Joseph P. Ward, executive secretary of the Philadelphia Wholesale Dry Cleaners Assn., said the increase would necessitate a 10 per cent hike in prices effective Aug. 24.

The union's old contract expired Aug. 1 but had been extended. Then on Wednesday night workers voted to strike yesterday. They set up picket lines around the plants which service about 2,000 retail tailoring shops.

PHILADELPHIA (AP)—The widow of Patrolman Joseph L. Reiss, killed in a street cavein Aug. 1, will get \$10,000 from the Philadelphia Hero Award Committee. City Council President James Tate, chairman of the award committee, also announced Thursday that Reiss's two children would receive college scholarships from the Hero Scholarship Fund.

LONDONDERRY, Northern Ireland (AP)—The U.S. Navy nuclear submarine Skipjack took 30 British observers for a 12-day demonstration run Wednesday. The Skipjack is on her way to visit England.
